Touching Spirit Bear – Final Peer Editing

During this final peer editing, you will be responsible for having at least one person look over your paper and make sure that you have all of the necessary components in your writing. Your peer editor will go through the checklist and highlight each of the aspects of the essay. If something is missing, the must make a note of this on the checklist. Note: You will be turning this WS in with your final writing. Please hold onto this!

Peer Editor: _____
